# Strong and Stable

## EXCELLENT QUALITY

- ▶ Stainless steel legs, frame & mounting flange
- ▶ High Pressure Laminate (HPL) / Phenolic seat
- ▶ Fabulous price

- ▶ Commercial grade so it will hold up to rigors of non-stop use
- ▶ L-Shaped Seat is reversible to right or left orientation
- ▶ Install into studs or blocking, a reinforced wall is not necessary, as legs support 75% of load
- ▶ For large projects, easily customize the seat color
- ▶ Exceed ADA guidelines with 600 pound load capacity
- ▶ Excellent quality – designed for safety
- ▶ Lifetime warranty and easy to install
