- Stainless steel floor mounting plates for bolting to the floor for additional safety
- Ultra vandal resistant
- Anti-ligature design
- Fully welded, heavy duty construction
- Optional safety rail on request

about

The *BRITEX Stainless Steel Floor Mounted Double Bunk* is perfectly suited for application in detention facilities due to its robust construction. The 10 gauge steel hemmed front and back ensures strength and eliminates sharp edges. Multiple stainless steel floor mounting plates for bolting to the floor make the bunk ultra vandal resistant and reduces the risk of tampering, making it an ideal choice for detention/correctional environments.
