- Smooth surface for comfortable seating
- Stainless steel floor mounting plates for bolting to the floor for additional safety
- Ultra vandal resistant
- Anti-ligature design
- Fully welded, heavy duty construction
- Radiused edge for added safety and ease of cleaning

about

The *BRITEX Stainless Steel Freestanding Security Bench Seat Style A* is perfectly suited for application in detention facilities due to its reliable and robust construction. The stainless steel vandal-proof and anti ligature design makes it an ideal choice for detention/ correctional environments. Multiple stainless steel floor mounting plates for bolting to the floor make the bench seat ultra vandal resistant and reduces the risk of tampering. The combination of perforated holes and radiused edge construction allows for ease of cleaning and added safety while also preventing the risk of harmful use.
