HERONRIB
WET AREA MATTING

Ideal drainage matting for sports and leisure applications indoors or outdoors. Heronrib's one piece welded construction with 4-way drainage provides maximum durability, safety and comfort for barefoot traffic. The indoor/outdoor durable vinyl product, infused with anti-bacterial, anti-fungal tread surface provides excellent barefoot hygiene. The insulated raised surface keeps feet cool and dry over hot concrete outdoors. The embossed slip resistant surface provides safe, comfortable floors in locker room shower areas indoors.

Material: Non-porous 100% Virgin PVC - Inhibits the growth of bacteria.
Thickness: 3/8"
Surface: Treaded
Warranty: 3 years for manufacturers defects
Testing: Test SN195 920 – Determination of the anti bacterial effect against Staphylococcus aureus ATCC 6538.
Result - Nil Growth, 1mm halo, good effect.
Test method ASTM G21-96; determining resistance to fungi.
Result - Nil Growth after 4 weeks.
